**RegenQuest and the ABWM Foundation are Celebrating the Fourth Year of WHAM!**

**Deerfield Beach, FL** – The ABWM Foundation named June as Wound Healing Awareness Month (WHAM) in 2016, and RegenQuest is excited that this will be the fourth year the wound care community will be celebrating. The purpose of naming June as Wound Healing Awareness Month was to recognize the challenges experienced by individuals whose lives are affected daily by chronic wounds, and to bring awareness to the public for the support given by certified wound specialists.

Chairman of the Board of Trustees for the ABWM Foundation, Joseph McCulloch, PT, PhD, FAPTA, CWS® stated, “The ABWM Foundation Board of Trustees is excited that Wound Healing Awareness Month is in its fourth year. We are thankful to the organizations that are partnering with us to help raise awareness in this important issue.”

*“As a former Board Member of the American Board of Wound Management, I am honored to participate again this year for Wound Healing Awareness Month.” Juan Bravo, M.D., Medical Director.*

Certified Wound Specialist week for 2019 will be June 17 – 21, 2019. During this week the ABWM Foundation acknowledges and celebrates all practitioners certified by the American Board of Wound Management which includes Certified Wound Care Associates®, Certified Wound Specialists®, and Certified Wound Specialist Physicians®.

If you have any questions regarding WHAM, please contact Sibel Clifford at [sclifford@abwmfoundation.org](mailto:sclifford@abwmfoundation.org) or (202) 457-8403. Go to the [WHAM website](#) to get more information on this exciting month. In addition, please follow the ABWM Foundation’s digital media accounts to see everything happening that is happening during this month. You can follow the ABWM Foundation on [Instagram](#), [Facebook](#), [Twitter](#) and [LinkedIn](#).
